

Household Hazardous Waste (HHW) Collection Pre-Registration Form

For residents of Amherst, Pelham, & Shutesbury

Collection Date: Saturday, September 24, 2011 from 9 am to 12:00 pm
Amherst Transfer Station & Recycling Ctr., Route 9, Amherst, MA

This form is for use by residents only. Businesses and Institutions may call the Amherst Department of Public Works at 259-3050 Ext. 0 to schedule an appointment or to obtain information about participating in the HHW collection.

Dispose of your household hazardous wastes safely! Residents of Amherst, Pelham & Shutesbury may participate. Sign up today for your HHW Day appointment.

No more than 25 gallons or 25 lbs. (whichever is greater) will be collected per household.

Used motor oil, car batteries, fluorescent bulbs (\$1 each), & rechargeable batteries are NOT counted toward this limit. Amherst, Pelham, & Shutesbury residents with valid vehicle stickers may bring these items to the Transfer Station on Tuesdays, Thursdays and Saturdays, 8 AM to 2 PM.

Help a neighbor! You may bring HHW items for your neighbors in the three towns. Please list participants' names and addresses on the pre-registration form below.

♦ NO PAINT OR PAINT PRODUCTS WILL BE ACCEPTED

Mail completed pre-registration form to: HHW Collection, c/o Dept. of Public Works
586 South Pleasant St., Amherst, MA 01002

Your pre-registration must be received no later than 9/16/2011.
